Your Pledge to St. Paul's

We invite you, during the season of Advent, to pause, reflect, and discern what God is calling you to do in every dimension of your involvement with St. Paul's Episcopal Church. Consider these questions offered by Kurt and the St. Paul's Vestry as you discern:

Where are you currently in your involvement in this community?

What continues to give you life and vitality, making you a better neighbor to others? What would stretch you in healthy and inspiring ways?

What patterns have become burdens, rather than places of experiencing God's love?

What in your life do you want to let go of, and what do you want to give yourself to?

Then record your personal pledges in this booklet.

Inside, you will have an opportunity to record your pledges to each dimension of "active membership." What are your connections to St. Paul's? What aspects of your life here define your belonging? What deepens (or would deepen) your engagement in this community? We would like you to share with us anything you might want the church leadership to know or consider about your personal pledge to St. Paul's.

Every person is invited to complete a pledge booklet, including any children of school age or older. For financial pledges, you may indicate whether you are pledging individually or as a household.

Be sure to give us your name and signature on the last page of the booklet!

**Return to church office by
December 31, 2016**

You may drop it off at the church or you may mail it to:
