AGENDA ITEMS

1. The Vestry reviewed a draft agreement with St. Paul's Preschool. The renewal is for a 5-year period beginning January 1, 2024. Rental is based on the Preschool's 26% share of the total church facility square footage.
2. Diocesan policy and IRS regulations provide for a housing allowance each year for the Rector. This allowance is based on the Rector's actual housing costs and provides a tax-exempt status for allowable costs.
3. The Vestry discussed the possibility of using Church facilities under a "Code Blue Alert" for unsheltered individuals when temperatures are 15 degrees or less.
4. A discussion was held relating to additional information in the parish newsletter and website.
